RE: Response to Request for Erasure

Dear Michael,

The session met this week and discussed your request for erasure.

We are very grieved by the situation surrounding this request, and saddened that the session's efforts to resolve the conflict between your family and NCC have not been successful. We are very sad also for losing fellowship with (redacted) and (redacted).

However, since our efforts over the months to dissuade you and Carlota from taking this course have failed, the session has erased you from our rolls (per BD.II.B.3.d.2) as well as (redacted) and (redacted) (per BD.II.B.3.e). As circumstances surrounding Carlota are different, we have sent a separate letter regarding her erasure.

We will continue to pray for you and your family, and ask that one day these divisions can be healed.

Sincerely in Christ, your brother,

Nate Hollister For the Session
